1. Notes Concerning The License Codes

The software can only be activated by entering a certain license code. The license code contains information on how many licenses and which set of functions will be enabled.

Each registration process will verify the licensee's information by sending a notification to PROVISIO's License Tracking Server. The data will not be passed on to any third party. However, PROVISIO shall reserve the right to take legal measures against the licensee in any case of license abuse.

2. License Rates / Warranty / Alterations / Misapprehensions

Commercial customers from other EU countries can only purchase products by providing their VAT ID. In this case, no sales tax will be calculated and shown.

Subject to change and error!

3. Notes Concerning Payments By Bank Transfer Within The EEA/EU

Please always state your invoice number and your customer number when transferring money. Both information can be found on the invoice we sent you by mail or e-mail.
